# A FEW WORDS FROM YOURS TRULY

Hello – and welcome to the latest issue of **LAVERNOICH'S LOUNGE**. In regards to this issue's cover and the brief backstory behind it – not to mention how you can purchase your own copy of it – please visit my **ARTIST'S ALLEY** section on **Page#6** of this very issue. (*Who says that yours truly isn't 100% subtle?*)

Of course, it's not the only project that yours truly's been working on over these past few months – for those of you who've been following me, and not just in this very newsletter. I've been writing my latest book-in-the-works, **THE JANUSTERROR** – and learn more about its progress (*and a few surprises*), please visit my **BOOK BUNGALOW** section on **Page#5**.

Also – please visit my **BEYOND THE UNKNOWN BAILIWICK** section on **Page#4**, with some important news connected to **BTU** itself. *How* important is it? Let's just say that another long cherished dream of mine *might* become a reality – and you can definitely help make it possible (*for those of you who've actually followed BTU – and not just on the Internet*).

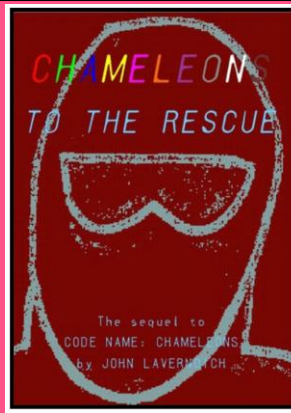

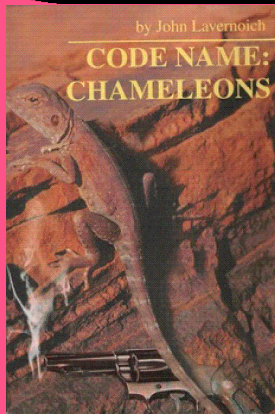

There's also a few other creative ideas brewing within my mind – which'll no doubt become a reality by next issue (*where you'll learn more about 'em – I hope*). In the meantime, please enjoy this month's issue of **LAVERNOICH'S LOUNGE** – and **keep on web surfin'!**

# THE BOOK BUNGALOW

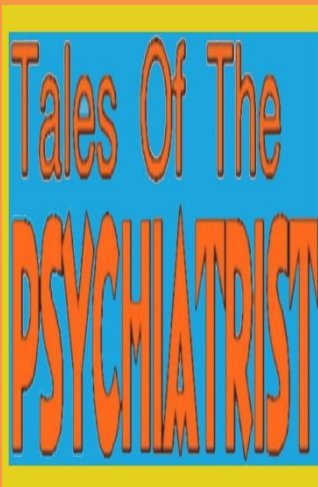

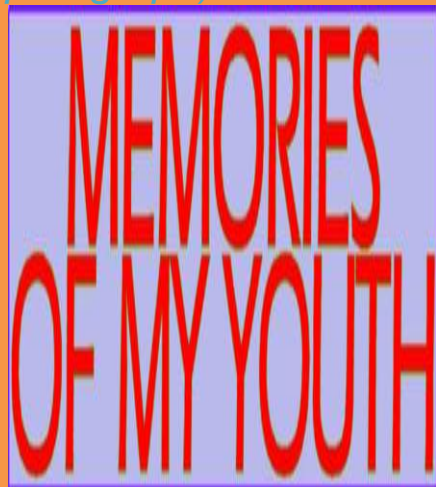

The latest literary news -- both print & Internet

This is a character sketch of police detective Lt. David Rich -- one of the main characters in **THE JANUS TERROR**, the book that I'm currently working on (and I've already done the first ten chapters of it -- eleven, if you count the book's *Prologue*). It should be noted that at one time, I had planned to do **THE JANUS TERROR** as a comic book limited series -- the reasons for which I won't get into, at least for right now.

I still plan on getting **THE JANUS TERROR** completed and published before year's end. To learn more about the book's progress -- please click on the following website logo links below both this paragraph box and the character sketch:

# ARTIST'S ALLEY

Drawing, photographs & other visual goodies

Here's my latest artistic effort, which graced the cover of this very issue:

WHY LIFE'S A MYSTERY !!

Which makes a statement -- mainly, there's no place in this world for Reality TV (despite what certain network TV executives really want you to believe)!

And you can purchase this and other fine lithographs
