A FEW WORDS FROM YOURS TRULY

Hello, dear readers -- and welcome to this month's issue of **LAVERNOICH'S LOUNGE**. The cover to this very issue should help give you a good idea of what I've been doing from a creative standpoint. *(To learn more about it -- please visit my **BOOK BUNGALOW** section on **Page#5!**)*

That's not all I've been doing. I'm still working on my latest novel, **THE JANUS TERROR** -- as well as continuing to drum up financial support for my **BEYOND THE UNKNOWN** comic book *(and to learn more about it, please visit **Page#4** of this issue)*. And there's **still more** -- which I'll explain not only in future issues, but in other venues as well.

I hope you enjoy the latest issue -- and that you'll check out *(and in many cases, purchase)* my creative efforts. Until then -- please don't trust any so-called "Reality TV" show that re-hashes its plot season after season, okay? *(Which is all the more reason not to re-elect a certain incumbent U.S. President next year!)*

WHAT IF THERE WERE A PAIR OF KIDNAPPINGS --

An original short story
by John L. Lavernoich

This is the cover for my newest short story -- a different kind of suspense thriller which I like to call: **WHAT IF THERE WERE A PAIR OF KIDNAPPINGS -- AND NOBODY CARED?**

(Have I got your attention?)

As for the story's overall plot -- let's just say that two kidnap victims are being held hostage for a hefty ransom! *(The only problem is -- there isn't any interest in paying the ransom and seeing them go free! How's that for an attention-grabber?)*

To read the story itself --
please click on the following
