# A FEW WORDS FROM YOURS TRULY

High is our calling, friend! Creative Art  
(Whether the instrument of words she use,  
or pencil pregnant with ethereal hues,)  
Demands the service of a mind and heart,  
Though sensitive, yet, in their weakest part,  
Heroically Fashioned.

-- William Wordsworth

Welcome to the latest issue of **LAVERNOICH'S LOUNGE**. As I write the very paragraphs that you're now reading, July's about to end – and August's about to begin. Yours truly hasn't been creatively idle – I've been busy working on, refining, and (*I'm not kidding*) re-thinking some of my creative projects, some of which I'll focus on in this issue. (*Which is far better than watching any and all stupid Reality TV programs!*)

And no, I haven't neglected my current book, **THE JANUS TERROR**, for which I've already written thirty-one chapters (*or thirty-two, if you count the book's Prologue*) – for more info concerning that, please visit the **Book Bungalow** section on **Page#5** of this very issue. And that's only the beginning – for even now, I'm already looking forward to releasing new material in time for both the upcoming Fall and Winter seasons.

As usual, I hope you enjoy the latest issue of **LAVERNOICH'S LOUNGE**, and that what I'm spotlighting there will actually encourage you to purchase some of my wares. To which I end with the following – please support us independent authors, artists, filmmakers, and podcasters. (*And please don't support any more Reality TV stars running for public office – the one already residing in the White House's already proved to be a total dud!*)

## The latest news on CHAMELEONS, INC.

For those of you already familiar with CHAMELEONS, INC. -- and those of you who aren't (*though that'll change, probably double quick*) -- they're the stars of three published books and one short story. To check out the Chameleons online -- please click on the following below this very text-filled box that you're now reading:

And hopefully, in the coming weeks, I'll start work on re-writing and refining the film screenplay adaptation of the very first CHAMELEONS, INC. novel -- **CODE NAME: CHAMELEONS** -- with the hope of getting a major Hollywood film studio interested in buying the script and putting it into production (*with yours truly -- hopefully -- playing a key role in its path towards eventual success*). More news on that -- soon!

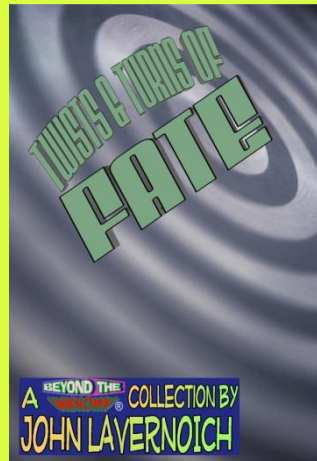

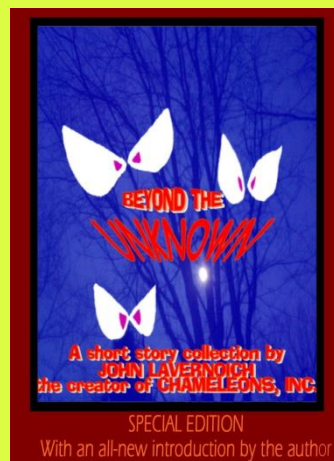

*AND WHILE WE'RE ON THE SUBJECT OF MULTIMEDIA FRANCHISES -- IT'S TIME FOR --*

This is one of the faces of Janus, one of the key villains in my current novel-in-the-works, **THE JANUS TERROR** (for which I've already completed thirty-one chapters of it). Please note that at one time, I had planned to write **THE JANUS TERROR** as a comic book mini-series -- hence, the illustration sketch that this text-filled arrow's pointing at:
