A FEW WORDS FROM YOURS TRULY

As I write this, the end of August 2019's only a few days away. In case you're interested – I've had a somewhat busy summer, and not just career-related. As September 2019's about to begin, I'm somewhat destined to have a bit of breathing space in order for yours truly to pursue some of my creative projects, including finishing up writing **THE JANUS TERROR** and getting it ready to be published in time for the 2019 Christmas holiday shopping season. And that's not all – as you'll find out while checking out this very issue.

As for some of my future projects and what I plan to unleash on the world over the next few months – well, some of them'll be detailed later on in this issue. And **next year** and beyond that? Well, all I'll say is this – you know exactly where to find me on the Internet (*please check out the **CYBER CASTLE** page for links to where you can find me on the 'net!*).

Oh – after reading this issue (*which is somewhat expanded, as you'll find out*), please feel free to contact me at jlavernoich2008@hotmail.com and let me know what you think of it, not to mention how to actually improve **LAVERNOICH'S LOUNGE** for the better (*and I think that I've somewhat improved the overall quality of it*). Until then – please support us independent authors, artists, and filmmakers who definitely deserve their place in the sun. (*But please **don't** support any and all Reality TV programs – especially during next year's U.S. Presidential campaigns! You can certainly guess **why**.*)
