A FEW WORDS FROM YOURS TRULY

Hello – and welcome to the latest issue of **LAVERNOICH'S LOUNGE**. The cover of this very issue should give you a clue to one of the many creative endeavors that I'm aiming for, as February is about to give way to March (*and hopefully, more warmer months – even though this winter season hasn't given us much snow where I live; whether or not that's a good thing – well, you decide*).

Of course, that's **not** all I'm planning for this spring season – there are two books currently in the works. One of them, of course, is **THE JANUS TERROR**. And the other book? Well, please visit the **Book Bungalow** section to learn more about it (*and which'll – hopefully – be published and on sale before the end of March*).

Even now, I've got some creative projects already brewing in my ever-fertile mind which I can't reveal right now – so all I'll say is this: for those of you who surf the Internet, please keep a sharp eye out for my **Facebook** pages and **YouTube** channels (*and more*) for the latest news concerning them (*all the more reason for you to visit them, right?*).

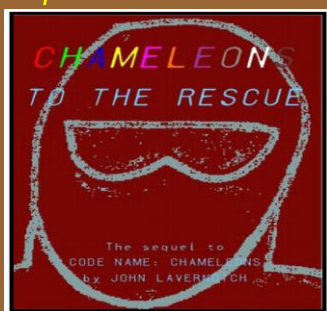

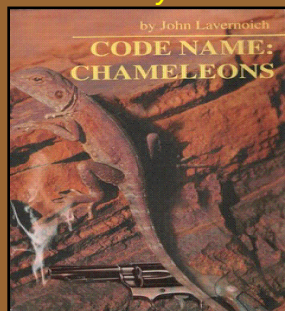

As usual, I hope you enjoy this issue – and equally important, you'll be encouraged to check out and purchase some of my wares. In the meantime – say **no** to both Reality TV programs and a current U.S. President residing in the White House – and say **yes** to any other Presidential candidates running against him this year. (*By year's end, America'll really be great again!*)
