A FEW WORDS FROM YOURS TRULY

Hello—and welcome to the latest issue of **LAVERNOICH'S LOUNGE**. Already, this summer's proven to be vastly different (*as everyone worldwide who's followed the news over the past few months is keenly aware of*). Luckily, not all of us have been driven crazy by the **COVID-19** crisis – including those who've chosen storytelling as their career preference (*and who know that escapism's a perfect tonic for helping us escape harsh reality, if only briefly*).

Yours truly is already doing his best in terms of not only my creative projects, but also morale boosting – including my current book, **FROM THE PSYCHIATRIST'S PERSPECTIVE** (*which you can learn more about in the Book Bungalow section of this issue*). And hopefully, by the time I start to work on the next issue of **LAVERNOICH'S LOUNGE** – my next book, **THE JANUS TERROR**, will be ready for both publication and sale.

But that's not all. Even as I write this – I'm currently dreaming up some of my next creative projects, which you'll learn more about, and not just in future issues of **LAVERNOICH'S LOUNGE**. In the meantime, if you'd like to express your views on this issue (*as well as your ideas on how to improve the quality of this newsletter*) – please e-mail me at jlavernoich2008@hotmail.com. Until then, please stay both safe and well. And – oh, yes – if you come across a TV ad promoting a certain current U.S. President's re-election campaign, please **don't** watch it. It only means trouble (*and we've already got a lot to worry about in this day of age*).
