A FEW WORDS FROM YOURS TRULY

Hello – and welcome to this, the latest issue of **LAVERNOICH'S LOUNGE**. As I write this, it's the first day of October 2020 – and this year's proven to be unlike any other. And hopefully, this year will end on a positive note (*which'll be possible if we successfully vote the right U.S. Presidential nominee into the White House come next month – and I don't mean the nominee who leans towards the right – right-wing, that is*).

Yours truly hasn't been completely idle (*from a creative standpoint*) – the cover of this very issue alone is proof of that. But that's not all – there's other creative projects which I hope to unleash on you before year's end (*one of them being my next book, **THE JANUS TERROR** – which I'll mention in the **Book Bungalow** section of this issue*). That news – and **more** – should be enough to pique your interest and boost your spirits (*especially since the Christmas holiday season's fast approaching*).

As usual, part of the reason for this very newsletter is to let you what I've got to offer from a creative standpoint, with the hope that you'll actually purchase some of them. In fact, you **should** support the efforts of us independent authors, artists, merchants, etc. – who have much to offer (*and might just surprise and delight you*). And they're way better than **SURVIVOR**, **BIG BROTHER**, or **LOVE ISLAND** – which **nobody** in their right mind should ever think of watching (*not to mention the fact that they've already given TV's reputation a black eye*).

So, I end this by hoping that you look through this issue. Those wanting to comment on it, as well as offer any suggestions on how to improve LAVERNOICH'S LOUNGE, can do by reaching me at jlavernoich2008@hotmail.com. (*So long as it's rational – I already have enough to deal with. Then again, so does the entire world – though I hope things'll be somewhat better by year's end – I hope.*)
