# A FEW WORDS FROM YOURS TRULY

Hello – and welcome to the latest issue of my official newsletter. The cover to this very issue alone should let you know that I *haven't* been totally idle (*and which should be more than enough to tempt you to check out the **BEYOND THE UNKNOWN** section in this very issue*). There's no question that last year was very rough on everyone (*including those stricken with **COVID-19***) – and while this year might be somewhat tough for all, at least we're moving in the right direction (*and I definitely don't mean right-wing!*).

Even though I'm doing my best to get back on a somewhat regular schedule – work and otherwise – during the **COVID-19** pandemic, that won't stop me from finishing up several creative projects which I hope will be released this spring, one of them being my next book, **THE JANUS TERROR** (*which I've already resumed writing, even as you read this*). And there's more creative projects currently in the pipeline which I'll get to, not only in future issues, but also everywhere else (*including the Internet – and after all, this is supposed to be an interactive PDF newsletter, for those still wondering why I've got so many webpage links included in this*).

As usual, I'm hoping that **LAVERNOICH'S LOUNGE** – this issue included – will encourage you to check out (*and equally important, purchase*) some of my wares, which definitely beats watching certain Reality TV shows which weren't entertaining to begin with (*and have already worn out their welcome, just like certain Reality TV personalities who shouldn't run for public office – ever*). Those of you wishing to e-mail your comments on **LAVERNOICH'S LOUNGE**, and how to improve it overall, can reach me at [jlavernoich2008@hotmail.com](mailto:jlavernoich2008@hotmail.com), a good reason to keep on web surfin' (*and help make sure that Reality TV becomes as extinct as the horse-and-buggy*).

# COMIC BOOK COTTAGE

## Dealing with – what else? – comic books!

Those of you who've actually followed my creative careers for so long already know that **THE PARADOX PUZZLE** is one-half of the current **BEYOND THE UNKNOWN** anthology book **ADVENTURES INTO IMAGINATION** -- and for those who'd think that it'd make for a great comic book story -- well, please check out the original illustrations rendered by yours truly:

Well, that'll become a probability – maybe sooner than even I realize. As for how I plan to go about doing that – all I'll say is that I'm working on it (*not to mention the fact that you can visit my **Patreon** page in the coming weeks to see how you can help make it a reality*).
