# A FEW WORDS FROM YOURS TRULY

FOR THOSE OF YOU WANTING SOMETHING BOTH DARING AND DIFFERENT (THAT IS, IF YOU'RE ALREADY SICK AND TIRED OF LISTENING TO RIGHT-WING TALKING HEADS) --!

Welcome to the latest issue of **LAVERNOICH'S LOUNGE**, the official newsletter of yours truly – John Lavernoich – and no, I'm not kidding about what I said about right-wing media personalities (*who should definitely know better than to stir up any trouble and controversy in today's world – as the last few years ought to prove!*).

As you well know, my most recent book, **THE JANUS TERROR**, has just been published (to learn more about that, please visit the **Book Bungalow** section in this issue – not to mention elsewhere online). I'm still working on trying to draw public attention to the book itself – in fact, **everything** that I've been working over for over the past twenty-plus years – which hasn't been easy, due in part to my other commitments (*and more*).

And, as I write this, I'm planning on both recording and uploading the latest episode of my revised audio podcast, re-titled **DESTINATION: IMAGINATION**, which I've just written – which'll be mentioned in the **Media Mansion** section of this very issue (*and soon, elsewhere*). As I mentioned in the previous paragraph, that task won't be easy to accomplish, given what I'm currently dealing with.

Of course, my official newsletter's another way to get you interested in checking out some of my wares, which I hope you'll do. Those of you who'd like to share your comments (*and brickbats*) concerning **LAVERNOICH'S LOUNGE** can please do so by e-mailing me at [jlavernoich2008@hotmail.com](mailto:jlavernoich2008@hotmail.com). As usual, I hope you like what you see within these pages – and as usual, please support us independent authors, artists, etc. (*But please – don't watch any or listen to anything leaning towards the far right. That spells trouble – and we've already got enough to worry about!*)
