A FEW WORDS FROM YOURS TRULY

Hello – **Happy New Year** – and welcome to this, the latest issue of **LAVERNOICH'S LOUNGE**. The cover to this issue should serve as a clue to what I've accomplished as of late – and a prelude of sorts to what I hope to unleash on the world at large later on this year.

There's no denying that this decade (*or at least, almost the first half of it*) has been rough on us – though I should point out that things have somewhat improved in slightly over the last two years (*and I'm still looking forward to the day when both **MAGA** and **Reality TV** disappear for good*).

As usual, one of the purposes of **LAVERNOICH'S LOUNGE** is to draw public attention to my creative accomplishments – which are definitely off the beaten path from a creative standpoint (*as those who've actually purchased them could easily tell you*). And in the coming weeks, there'll be more on the way – which'll be detailed, and not just in future issues of **LAVERNOICH'S LOUNGE**.

As I've stated, **not only then** and **now**, but **also** in the future – I hope that you check out this issue (*while equally hoping that you'll check out what I've got to offer creatively after that*). In the meantime, please always remember to keep on web surfin' (*and avoid any mass media outlets which lean more towards the right – if you know what I mean*)!
